**New Member Timing Policy:** Our chapter follows the UNICO National fiscal year of July 1 through June 30. To avoid duplicate National dues billing, new members who fill out an application form and pay dues in full at any time during the year will have their UNICO Naples chapter memberships submitted to National either July 1 or November 1 of the new fiscal year. These members may participate in chapter activities during this period as provisional members, as long as they have paid their chapter dues in full. New members will be installed into the Naples chapter in July and November, at which time full membership status, pin issuance, and National publications will begin. Individuals who request immediate National recognition during this period may do so with the understanding that National dues will be required again for the following fiscal year.
